

Realm Connect

THE CONGREGANT'S APP

Church doesn't always happen at church.

We know that life happens within the congregation after the Sunday service is over. The Realm Connect app helps keep members connected and engaged with their groups, pastoral staff, and each other every day of the week.

Problem to Solve:	Realm Connect Solution:
Congregants need the ability to update contact information.	Realm Connect allows congregants to add and edit their email, phone numbers, and addresses.
Congregants want to communicate with others in the church.	The Realm Connect app provides a communication platform for congregants to connect with pastors, groups, and each other.
Congregants need access to an online directory.	Within the Realm Connect app, congregants can see the names and profile pictures of the entire congregation.
Congregants need the ability to donate to their church.	Realm Connect provides a way for congregants to donate and set up recurring giving directly from the app.
